New members are provided with backpacks and all sisters get 4 shirts per year that are included in dues.

## FAQs

### 1. Are your chapter women required to live in the chapter facility?

- Yes. The newest fall member class will be required to live in house the following year, unless the housing facility is full. Housing preference goes based on seniority (based on catalog year) then cumulative GPA.

### 2. Is your meal plan required?

- Yes. The meal plan includes five lunches (Monday-Friday) and five dinners (Sunday-Thursday). Snacks and breakfast are provided Monday-Friday for members living in the house. Our meal plan can accommodate most dietary restrictions. If there is a dietary restriction the kitchen cannot accommodate, a member can apply for an exemption.

### 3. Does your national organization offer scholarships?

- Yes. The Gamma Phi Beta Foundation offers both merit-based and need-based scholarships and fellowships. Applications occur in the winter for the following academic year. Loyalty Grants are also available for members who experience unforeseen extreme financial hardship. These applications are open year-round. Our chapter also has a scholarship dedicated specifically to Eta Xi women!

### 4. Do you offer a payment plan?

- We offer payment plans for our internal chapter dues (not for our meal plan or facility fees). These can be set up with the Financial VP at any time. The Financial VP will work with the member to determine due dates and payment amounts based on the member's preferences.
