Purpose: The Panhellenic Council Recruitment Compact is a document that outlines the agreed upon procedures and guidelines shaping Panhellenic Recruitment at the University of Florida. A chapter will be notified no later than one week if in violation of the compact.

I. Statement of Positive Panhellenic Contact

We, the women of the University of Florida, will promote Panhellenic-spirited contact with all Potential New Members throughout the year. Strict silence is defined as verbal, nonverbal, written, printed, text message, and electronic communication or communicating through a third party. If Potential New Members live in a residence hall or apartment with sorority members, only casual greetings and contact are permitted.

II. Statement of Adherence to NPC Unanimous Agreements and Policies Regarding Recruitment

All NPC member organizations represented at the University of Florida believe in strictly adhering to NPC Unanimous Agreements and policies. All organizations will follow these valued and non-negotiable policies during the recruitment process.

III. Statement of Values-Based Recruitment

All NPC member organizations represented at the University of Florida will promote the following practices during membership recruitment:

The University of Florida Panhellenic will uphold and use the membership recruitment acceptance binding agreement (MRABA) for each Potential New Member interested in joining a sorority, whether during Primary or Non-Primary recruitment. We agree to all policies and steps pertaining to the MRABA.

V. Statement of Automatic Reset of Total

Chapters must submit rosters to Panhellenic prior to recruitment and update them with new members. This is to be done no later than 72 hours following bid distribution in the Fall semester (Primary Recruitment) and within one week from the start of the Spring semester (Non-Primary Recruitment.) Appendix A: Membership Recruitment Acceptance Binding Agreement

The members of NPC want every Potential New Member to be informed about her options for joining a sorority. At the completion of the primary recruitment period, all women are given the option to sign a membership recruitment acceptance binding agreement (MRABA). In order to receive a bid from a sorority on campus, the MRABA must be signed. The MRABA is used on every campus that has NPC member organizations.

All Potential New Members are given instruction by a member of the fraternity and sorority life staff and/or the fraternity/sorority advisor about the MRABA and what they are agreeing to abide by. The MRABA consists of nine sections. The first six sections are initialed by the Potential New Member as acknowledgement that she has read and understands each point. The following is an explanation of these six sections:

1. I am willing to accept an invitation to membership from any sorority that I list on this agreement.
2. I may limit my choices to just one OR list any sorority whose preference-round (last) event I attended, and from which I am willing to accept membership. I realize that by not listing the maximum number of events where I attended, I may be limiting my potential to join any other NPC organization during primary recruitment should I not be placed with my choice(s).
3. Once I submit this agreement to the College Panhellenic Association, I cannot change the order of my preferences or add or delete a preference.
4. If I do not receive an invitation to membership from an organization listed, I am eligible for continuous open bidding.
5. I have the option of not submitting an agreement at this time.
6. Once I submit this agreement, I am bound by the National Panhellenic Conference Unanimous Agreements, which state that if I receive an invitation to membership from an organization that I have listed and then do not accept it, I am ineligible to be pledged until the beginning of the next primary membership recruitment period on the same campus.

“By signing this form I agree to accept a bid if it is offered from any of the women’s sororities I list below, and I agree I will be bound to that bid until the beginning of the next primary membership recruitment period.”

As Panhellenic women of the University of Florida, these are the tenets to which we strive to live.

Appendix C: Potential New Member Bill of Rights

We, the members of women's sororities at the University of Florida, agree to the fundamental right of free people to form voluntary associations, such as sorority membership arrived at by mutual choice and selection.

Appendix D: Weather and Emergency Preparedness Plan

- I. In preparation for Panhellenic Sorority Recruitment at the University of Florida, this Weather and Emergency Preparedness Plan will be used in the event of inclement or dangerous weather conditions during the week of recruitment.
 - A. If there is oncoming inclement weather, the Associate Director (Panhellenic Advisor) will communicate instructions to all Advisors via GroupMe. The same instructions will be provided to Recruitment Chairs, Presidents, and Recruitment Counselors by the MVP. This plan will provide detailed instructions to the messages communicated to Advisors, Presidents, and Recruitment Chairs.
 - B. Should the Associate Director (Panhellenic Advisor) not be available, the Director or one of the Assistant Directors of Sorority and Fraternity Affairs will provide notification.
- II. **WEATHER PROTOCOL FOR RECRUITMENT**
 - A. Weather will be assessed 24 hours in advance and an update will be provided to chapters prior to the beginning of each day
 - i. Weather threats will be assessed 4 hours prior, 1 hour prior, and periodically throughout the rounds.
 - ii. When there is a threat of inclement weather within a 15 mile radius, communication of any actions such as postponement will be communicated to Recruitment Exec, Recruitment Counselors, Chapters, and Advisors.
 - iii. If lightning or serious weather threat is within an 8 mile radius, all event activity will be suspended. All participants are encouraged to follow weather protocols listed in this document and seek the nearest shelter.
 - iv. All activities will begin once the weather is outside of 15 mile radius of campus.
- III. **LIGHT RAIN**: Light rain, with no accompanying lightning, thunder, or high winds, will not result in a delay of the recruitment process. The Panhellenic Advisor, in conjunction with the Panhellenic Recruitment Executive Team, may choose to implement an inside start for which Potential New Members will line up in the lobby of their assigned chapter facility before a party begins, with no changes to the recruitment schedule.
 - A. If the rain is light enough to have an outside start, Pi Chis will organize the women in the appropriate order before the party begins.
 - B. Recruitment groups or students at tented or covered break stations should remain at those stations unless otherwise directed to move to an alternate rain location.
- IV. **HEAVY RAIN, LIGHTNING & HIGH WINDS**: Storm systems producing heavy rain, lightning, thunder, high winds or tornado activity will result in a delay of the recruitment process and an implementation of the emergency inclement weather plan. The Panhellenic Advisor or his/her designee will make the determination of when to suspend recruitment activities and implement the inclement weather plan.
 - A. If the suspension of recruitment activities occurs during a break or between parties, Recruitment Counselors will be asked to take their groups to the nearest available shelter according to their area. This may include houses on sorority row, as well as the Levin College of Law, Norman Hall, Little Hall, and the Carleton Auditorium.
 - i. If the suspension of recruitment activities occurs during a scheduled party, those parties will continue through their completion, ending with an inside finish and the Potential New Members staying in those houses until instructed that it is safe to leave. That determination will be made by the Panhellenic Advisor or SFA designee.
 - ii. Once a party has finished inside, chapter women should go upstairs, or other areas of the house not occupied by Potential New Members. Best options for Potential New Members and Recruitment Counselors would be dining rooms or another area of the house with the capability to hold up to 80 Potential New Members and Recruitment Counselors.
 - iii. Should there be a major storm that makes a significant impact on recruitment activities, there will be alterations made to the schedule. Any alterations to the schedule will be announced to

the Recruitment Exec and Recruitment Counselors as well as chapters and the recruitment events will proceed according to the revised schedule.

- B. Potential New Members on a break or not in a chapter facility when the suspension of recruitment activities commences should make their way to the emergency shelter corresponding to their location at the time that the suspension is announced. Students in Zone 1 (Sorority Row) should move to Norman Hall or Norman Parking Garage. Students in Zone 2 (Fraternity Row) should move to the Levin College of Law hallways. Any Potential New Members in Zone 3 (Off Row Houses) should seek immediate shelter at the nearest location of refuge. Students will remain in these emergency evacuation areas until instructed by a University Official or their designee.
 - C. Chapters will need to develop alternate exit plan should there be flooding in the chapter's front entrance.
- V. **TORNADO WARNING:** In the event of a Tornado Warning, all recruitment activities will be ceased and Recruitment Counselors will be asked to take their groups to the nearest available shelter. A parking garage is not considered shelter and shall not be used. Participants will stay away from windows, doors, and outside walls. The Panhellenic Advisor or his/her designee will monitor the weather with assistance from a University Official and will make a determination regarding the restarting of recruitment activities. At that point, alterations to the schedule will be announced to the recruitment staff, recruitment counselors as well as chapters and the recruitment events will proceed according to the revised schedule. UFPD personnel will also seek appropriate shelter.
- VI. **FIRE ALARM:** In the event that a fire alarm in a structure is activated, all occupants will calmly exit the house and wait outside. Once out of the building, participants must move at least 100 feet from the structure or as instructed by public safety officials. Recruitment Counselors and chapter leadership must account for all occupants of the building upon an evacuation. At this point all recruitment activities will cease. Any alterations to the schedule will be announced to the recruitment staff, UFPD personnel, Recruitment Counselors, and chapters. If the alarm is in a residential building, Gainesville Fire Rescue must be dispatched and will inspect the structure. The recruitment events will proceed according to the revised schedule.
- VII. **SUSPICIOUS ACTIVITY:** In the event that there is suspicious activity, participants will call UFPD at 352-392-1111 or 911. The Panhellenic Advisor and MVP should be alerted once law enforcement has been requested to respond to the scene. Callers should expect to provide their name, phone number, and a detailed description of the incident.
